

Note: Similar to last year, the students will leave from the School's **North** entrance (the car exit) and remain on the sidewalk on the **East** side of the road until Hawthorne Grove park (Harris Barn) where they will cross at the lights to the **West** side-walk.

Upon returning, students will continue to the far **South** entrance of Sacred Heart and proceed through the finish line to receive your acknowledgement and your freezie.

Students and walkers must remain on the side walk and follow the guidance of the crossing guards and the police officers on route. Always stay to the right of the pylons and do not walk on the road.

Grades 4-7 **must** complete the longer route to collect their candy bag. If for some reason they cannot complete the longer route, please inform the classroom teacher so he/she can alert the teachers at the Fun Zone #1.

Sacred Heart Walk-a-thon (short route) - Grades K-3 Walk (3.1km)
