A Message from the Principal

Dear Sacred Heart School Families,

At Sacred Heart School, we continue our mission of working together, staff, parents, and parish, to support your children in becoming the best versions of themselves as God intended. Guided by our Augustinian values, our goal is to create a community where TRUTH is heard and spoken, where UNITY is seen and promoted, and where LOVE is experienced and lived.

Thank you to all the staff and parents who generously gave their time to help with our Confirmation retreat last Friday evening. Whether you led a session, prepared a meal, decorated beforehand, or stayed to help clean up, your contributions made a meaningful difference in our children's faith journey. Your support and dedication ensured this was a special and memorable evening as they prepare to receive the Sacrament of Confirmation. We are grateful for the role you played in this important event.

This past Wednesday, we held our first Walkathon assembly of the year, the gym was filled with great energy and excitement! A big thank you to Mrs. Falcos for her enthusiasm in hosting the rally, and for bringing such positive energy to the event. We are also grateful to our Walkathon Organizing Committee for their vision and dedication to making this year's fundraiser an exciting and meaningful event for our school community.

Today, you will receive your child's Term 2 Learning Update, a reflection of their learning journey for the last three months. As you review this document with your child, please take the opportunity to celebrate their growth, effort, and perseverance. Learning is not just about grades; it's about progress, character, and developing the gifts God has given each of our children. At Sacred Heart, we believe that every child is on their own unique path of learning, these updates are just one way to recognize their achievements and identify areas for continued growth. This is a great opportunity to have positive conversations about strengths, set new goals, and encourage a growth mindset of perseverance and lifelong learning. We are grateful for your ongoing partnership in your child's education. Together, we will continue to support each child in becoming the best version of themselves, as God intended.

As we approach Spring Break, I hope you will find time for rest, renewal, and joyful moments with the people you love. Best of luck to all our students competing in end of season tournaments and provincial championships. Play with heart, sportsmanship, determination and skill, creating memories to last a lifetime! We wish you a wonderful break and look forward to welcoming everyone back on March 31!

God Bless,

K. Kozack
