A Message from the Principal

Dear Sacred Heart School Families,

One more week until spring break, we are grateful for the amazing weather we've been enjoying! It's great to see our students playing outside, soaking in the fresh air and sunshine.

This past week, we gathered as a faith community to observe Ash Wednesday, marking the beginning of Lent. During our Mass, Father Francis shared a beautiful reflection on prayer, fasting, and giving, encouraging us to open our hearts to God and others during this sacred season. A special thank you to Ms. Diba and the students of Class 5 for hosting the Mass and leading us in our celebration so reverently.

This week we held our school book fair, it is a wonderful event that fosters a love for reading in our students. We extend our gratitude to our event coordinators and to all families who supported this initiative. Your contributions help to enrich our school community and encourage a lifelong passion for learning.

As basketball season comes to a close, we give a big thank you to our coaches, both staff and parents, who have generously given their time to help our children develop their skills, teamwork, and sportsmanship. We are also grateful to all the parents who supported our teams, whether by driving players to practices and games or cheering them on from the sidelines. Your encouragement means so much to our young athletes!

Looking ahead, badminton (Grades 6 and 7) and track and field (Grades 3-7) will begin shortly after spring break. Please watch for permission forms being sent home with more details. We look forward to another season of fun, growth, and school spirit!

Mrs. Lim, who is currently on maternity leave, has accepted a position at Corpus Christi School in Vancouver for the upcoming year. It is close to her home and is also where her children will attend school. Her contributions to our community have been great; while we will miss her at Sacred Heart, we are excited for her and her family as they begin this new chapter.

We remain committed to working together to help your child become the best version of themselves, as God intended. Our school is a place where TRUTH is heard and spoken, where UNITY is seen and promoted, and where LOVE is experienced and lived. Thank you for your support of our school and of Catholic education. Have a great weekend.

God Bless,

K. Kozack
