A Message from the Principal

Dear Sacred Heart School Families,

As we settle into the rhythm of the new school year, it's great to witness the energy and enthusiasm our students bring to both their academics and extracurricular activities. September has been a month filled with growth, teamwork, and celebration as we come together to nurture not only the mind but also the body and spirit. At Sacred Heart, our goal is to support each child in becoming the best version of themselves as God intended, and I am proud of how our community embodies this purpose.

As we cheer on and encourage our children in their athletic pursuits, it's important to keep in mind the deeper values we hope to cultivate in their hearts: perseverance, unity, and respect for one another. These activities provide more than physical exercise; they help shape the character of our students as they strive to become the best version of themselves. Win or lose, these experiences are shaping them to be individuals who live by truth, unity, and love.

Sacred Heart is a place where Truth is heard and spoken, where Unity is seen and promoted, and where Love is experienced and lived. Through these guiding values, we help our children grow into thoughtful, responsible individuals who not only succeed in their endeavors but also reflect the goodness and grace of God in all they do.

Thank you, as always, for your support and encouragement as we continue to work together as a Sacred Heart family.

K. Kozack
