A Message from the Principal

Dear Sacred Heart School Families,

It has been great to see the return of sunshine and to feel the warmth of the changing season. This shift in weather brings a renewed sense of energy and joy to our school community, as students can spend more time outdoors, learning and growing together.

At Sacred Heart, we remain guided by our Augustinian values of TRUTH, UNITY, and LOVE. These values are at the core of all we do and remind us of the importance of working together to support each child in becoming the best version of themselves, as God intended. Thank you for your continued support and collaboration in this important work.

We ask you to keep in your prayers the children in our parish who will be receiving the Sacrament of First Holy Communion tomorrow afternoon. This sacrament is a special milestone in their faith journey. We pray that it will be a meaningful encounter, filled with grace, for them and their families as they grow in faith and friendship with Christ.

Looking ahead, we are excited for our first Track and Field meet taking place this Monday at Bear Creek Park. Events like this are a great opportunity for our students to demonstrate perseverance, sportsmanship, and school spirit. Good luck to all the participants.

Thank you, as always, for being such an important part of our Sacred Heart community. Have a great weekend.

God Bless,

Kelly Kozack

Soccer and Badminton

Our badminton and girls' soccer seasons have come to an end. Congratulations to our student-athletes for their hard work and sportsmanship. It was great to see your skills develop and your confidence grow as the seasons progressed.

I am grateful to our dedicated staff who generously gave their time over lunch hours and after school to coach and support our students. Thank you as well to our parent community for assisting with coaching, refereeing, and driving to games and tournaments. Your support helps make these opportunities possible for our children.
