A Message from the Principal

Dear Sacred Heart School Families,

As we move into the final week before Spring Break, I would like to take a moment to thank Ms. Irving for the care, dedication, and joy she has brought to our Class 1A students and to our entire Sacred Heart community. Today will be Ms. Irving's last day with us before she begins her maternity leave following Spring Break. We are grateful for the many ways she has supported our students and helped them grow, and we wish her and her family many blessings as they welcome this exciting new chapter.

Thank you to Class 5A for hosting our school Mass on Wednesday morning. Our school Masses are a special opportunity for us to come together in faith as a community to pray, reflect, and celebrate. They remind us of the importance of our Augustinian values of TRUTH, UNITY, and LOVE, and the ways we are called to live these values each day in our classrooms, on the playground, and in our homes.

Learning Updates will be sent home today at 3:00 pm. These updates are an important opportunity to celebrate the growth and progress of our children's learning journey, as we continue working together to support each child in becoming the very best version of themselves as God intended.

Heading into Spring Break, I wish all of our Sacred Heart families a restful and joyful time with loved ones. For those who are travelling, we wish you safe travels. We look forward to welcoming everyone back, refreshed and ready for the learning and growth that the spring months bring.

God Bless,

Kelly Kozack

Book Fair

Thank you Sacred Heart families for making this week's Bookfair such a wonderful success. Your enthusiasm, participation, and support help strengthen our library and foster a love of reading in our students. It was wonderful to see families browsing together and celebrating books as a community.

We're grateful for your continued support of the library and our young readers.

SCHOOL EXPANSION UPDATE

Earlier this week we held a visioning and needs meeting as part of the early planning stages for our school expansion project. Members of our staff and Building Committee met with our project manager and architects to begin exploring how additional learning spaces could better serve our school community. During this meeting we discussed possibilities such as a dedicated music room, French room, a sensory space, and additional areas to support student learning and staff.

This process is an important opportunity for us to thoughtfully consider how our physical spaces can support student learning, well-being, and community life at Sacred Heart. As we continue this journey, our focus remains on creating environments that help each child grow into the best version of themselves as God intended, while continuing to live out our Augustinian values of TRUTH, UNITY, and LOVE.
