A Message from the Principal

Dear Sacred Heart School Families,

As we approach the final week of school before Spring Break, I would like to wish all of our Sacred Heart families a wonderful and restful break ahead. I know that several families will be travelling during this time. We wish you safe travels and meaningful time together with the people you love. I look forward to hearing about your adventures when we return to school. Good luck to the students who will be competing in their end-of-season provincial championships over the break.

At Sacred Heart, we are blessed with a staff who care about their students and who are committed to helping each child become the very best version of themselves, as God intended. In the spirit of our Augustinian values of TRUTH, UNITY, and LOVE, we continue to work together as a community to support the growth and well-being of every child.

Next Friday, you will be receiving your child's Learning Update. These updates are a way for us to communicate with you about your child's growth, progress, and next steps in learning. I would like to take a moment to acknowledge the significant time and care that our teachers put into preparing these reports. After full days of teaching, supporting students, coaching teams, running clubs and activities, our staff dedicate many additional hours to reflect on each child's learning. Their goal is always to provide meaningful feedback that celebrates successes while also identifying areas for continued growth.

We will be gathering as a school community for Mass next Wednesday at 9:15am. Class 5A will be hosting the celebration. Our school Masses are always a great opportunity for us to come together in prayer and celebration as a faith community. All are warmly welcome to attend.

Have a great weekend.

God Bless,

Kelly Kozack
