A Message from the Principal

Dear Sacred Heart School Families,

We are off to a great start to the school year. Thank you for your ongoing support of our students, staff, and school community. The excitement and energy in our classrooms and hallways remind us of the joy of learning and the importance of growing together in faith. Our students have come back eager and ready to learn; that energy is matched by the dedication of our teachers and staff. I am blessed to work alongside such a committed group of professionals. Each day, I see the care, creativity, and devotion they bring to their work in helping our children reach their full potential.

We are grateful to you for your commitment to Sacred Heart. The time, energy, passion and faith you put into your children's education and into our school community strengthen the partnership between home and school and make all the difference in helping our children grow.

It was fantastic to see so many families at our Parent Information Night/Meet the Teacher evening. Beginning the year together in community is a great way to set a positive tone. Opportunities like this remind us that when home and school work together, we can support our children in becoming the very best version of themselves, the person God created them to be.

This year, our school theme is "Live, Celebrate, and Proclaim Our Faith." Rooted in our Augustinian values of **TRUTH, UNITY, and LOVE**, this theme calls us to not only deepen our personal faith but to share it joyfully in our daily lives. Together, we will encourage our children to grow in knowledge, compassion, and faith-filled service.

At Sacred Heart, we are committed to supporting your child's growth spiritually, academically, socially, physically, and emotionally. Thank you for entrusting us with this awesome work. I look forward to all that we will accomplish together this year. Have a great weekend!

God Bless,

Kelly Kozack

Missions Club

The Missions Club is proud to partner with The Giving Truck to collect school supplies for families supported by the Vancouver Aboriginal Friendship Centre Society. Together, we can help every child start the school year strong! Here's how you can help:

- Donate \$2 with your September hot lunch order
- or
- Drop off new school supplies in the donation box located in the school foyer

All contributions will go directly toward purchasing essential school supplies for children in need.
