Dear Parents,

Attached is the new Daily Health Check Form as recommended by the BCCDC. As was the case prior to the COVID-19 Pandemic, if your child is sick and their symptoms (which are not included on this checklist) will prohibit them from learning, please keep them home from school. If you have already signed and returned the original Daily Health Check Form you do not need to return this form to school. If your child is taking part in our Temporary Transition Program, please sign and return on their first day returning to school. Although we do not require a completed form to be returned to school each day, we do expect you to complete this check for the key symptoms of illness daily.

Kelly Kozack

Principal
