

Family Statement of Commitment

Rationale

“Because ‘promotion of the human person is the goal of the Catholic school,’ Catholic education goes beyond the technical and practical aspects of schooling to help students integrate every area of knowledge within a Christian vision of the human person. The school recognizes that the physical, emotional, moral and spiritual dimensions of human development must tend to a personal synthesis of faith and life in each student. Growth in these areas prepares students for a life of service, building the Kingdom of God in society.”

Policy

The philosophy of Sacred Heart School expresses the teaching and practice of the Roman Catholic Church and must be supported by all members of the community. Partners (home, school, parish) in Catholic education must work together to provide an environment where faith and learning go hand in hand leading the young people to be the best they can be.
