Dear Parents,

I am hopeful that you and your family have now settled into routine after the summer break. We have certainly hit the ground running at the school. It was great to see so many of our families at our AGM last Thursday evening. This evening we have our New Family Meeting, beginning at 6:30pm. Sunday afternoon is the Parish Family Day. It is a great opportunity to catch up with school families you have not seen for the past few months as well as make connections with other families in the parish who may not have children in our school.

We are excited that the school has continued to experience growth in our student population. However, with the increase of students comes an increase in the number of cars on the property. Mornings are very busy with our student drop-off, preschool drop-off and people attending morning Mass. Please drive carefully and obey posted traffic signs and traffic monitors. This is a reminder that, after morning preschool drop-off, the parking lot behind the Parish Centre is for staff only. The safety of all in our community is our number one priority. Thank you for your understanding and cooperation in keeping everyone safe.

God Bless,
Kelly Kozack
Principal
